Lights in desk cubby: 2

Details

A self-contained work station.

The EM01 Office features a fold down

desk supported by soft-open stays.

Doors above an open display cubby

conceal shelves for paper and supplies.

Lower doors open for a printer pull-out

on the left and a large file drawer

on the right. Open the desk for an

instant office, complete with power

outlets and USB charging stations.

Two bright lights illuminate the

work space.
